

**Town of Westford  
Tree Warden  
NOTICE OF PUBLIC HEARING**

In accordance with Massachusetts General Laws (MGL), Chapter 87, Public Shade Tree Law, Section 3 (Cutting of Public Shade Trees; Hearing; Damages), the Town of Westford Tree Warden will hold a Public Hearing regarding an application from National Grid to remove or prune public shade trees on Tuesday, November 29, 2022 at 10:00a.m. This is a Virtual meeting [www.westfordma.gov/1129treehearing](http://www.westfordma.gov/1129treehearing) After registering you will receive a confirmation email.

The program included a tree-by-tree hazard assessment of public and private trees, along the main three-phase lines which serve the community. The work is recommended to remove hazard trees and prune for additional clearance in order to reduce tree outage problems affecting large numbers of customers served by these main lines. National Grid's arborists have identified Eight (8) town-owned trees for removal along Tyngsborough Rd. Town trees located within the public way that are designated for removal have been posted with a notice of public hearing in the field.

A complete list of town trees designated for removal or pruning including information about the location, size and species of the affected trees and the reason for work proposed, is available at the Westford Town Hall and the Westford DPW.

This tree has been posted

on or before: November 29, 2022

Species: \_\_\_\_\_

Diameter: \_\_\_\_\_

Tree Number: \_\_\_\_\_
